Do you know that there are Dangerous Duties of Discipleship? Yes! Absolutely there are! Discipleship is not for the faint of heart, and the work of discipleship must **come** from the heart. In fact, discipleship requires courage and undeniable forthrightness.

*EXECUTIVE
PASTOR'S PEN*

So, what are the Dangerous Duties of Discipleship?

One must Guard the Truth

One must Speak the Truth

We all must Lift every Voice, Vote and Verdict!

We must Speak the Truth to the "Pilates" of this world!

We must Speak the Truth to the Politicians!

We must Speak the Truth to the People living in Ignorance!

What are we to do with the Truth?

Treasure the Truth to Love

Trace the Truth to Learn

Trust the Truth to Lean on it, and

Transfer the Truth to Leverage it

As you can see there's work to be done in the making of Disciples, and it all stems from TRUTH! Let's get to work!

Soli Deo Gloria!

WHO'S *Serving* YOU!!!

THE NEW MOUNT OLIVE BAPTIST CHURCH TRUSTEE COMMITTEE

DEACON DAVID WRIGHT, CHAIRMAN OF DEACON MINISTRY
DEACONESS MICHELLE ROLLE, CHAIRWOMAN OF DEACONESS MINISTRY
BROTHER JOHNNIE SMITH, TREASURER
SISTER ROSENE FARRIS, MOD BOARD MEMBER

PURPOSE:

The Trustee Ministry will oversee, maintain, and supervise the New Mount Olive Baptist Church properties.

819 BUILDING SALE

The Committee opened the bidding for the sale of the 819 property to NMOBC members before the general public. In the 60 day exclusive timeframe they entertained over a dozen interested parties. They met on 4/16/2025 at 8pm to discuss the final steps of the bidding process with the offers received on the property. Final sale update coming soon!

THE MINISTRY CENTER

A concerted effort is in place to make decisions on this project. Many meetings have taken place to gather information in reference to inspections, fines, grants, restoration etc. We anticipate a full report in the near future.

SANCTUARY FLOODING / STAIN GLASS WINDOW/ ROOF

After a thorough walk through of the 4th floor and roof on 4/09 following a torrential down pour the day before, we identified cracks in the cast iron piping connected to the roof drain above the ceiling tiles in room 422 where water had leaked on the carts, table and floor underneath or below the pipe. The committee, along with our contractor, Brother Knowles, concluded that this is a source of some of the water damage we have encountered. A plan to remedy this issue is underway. They also discussed inspecting all cast iron roof drain piping for cracks and replacing the cast iron with PVC for the upcoming renovations. The roof walkthrough exposed puddling in certain areas specifically underneath the T-Mobile Antenna on the South East corner of the building. Overall, the roof is in decent shape with soft spots in a few areas, but showed no immediate signs for need of repair or replacement.

WHO'S Serving YOU!!!

THE NEW MOUNT OLIVE BAPTIST CHURCH ADMINISTRATIVE STAFF

PURPOSE:

The budgeted staff of the church shall have authority to transact such business as shall be necessary for the administration and operation of the church.

COMMUNITY PARTNERSHIPS

In the past month the church staff forged Community Partnerships with: Broward College for the "A Survivor: The Story that Changed Birmingham" with Civil Rights Survivor, Earl Davis; with MODCO & the Broward Tax Collector, Abbey Ajayi for a Lunch and Learn on Property Tax, P.A.C.E. Loans and Drivers Licenses Services; with the Stewardship Ministry & Consolidated Credit for a Virtual Webinar, and with the Mountmentum Churches to celebrate Holy Week

CONTRACT/VENDOR ASSESSMENT

The staff is reviewing agreements with all contractors/vendors, implementing a system of monthly/quarterly meetings to ensure services are in alignment with agreements. A monthly meeting was established with the current security company and other contractor meetings will follow either on a monthly or quarterly basis. A month-to-month cost analysis showed there was a 13% month to month decrease in the cost of security from February to March.

STORAGE FACILITIES

A recent inventory was conducted to consolidate the use of multiple units, thus reducing the cost of monthly fees by the disposal of unneeded/ outdated equipment, files and other items.

MOUNTMENTUM 2025

Holy Week was a tremendous success: We partnered with Mt. Hermon A.M.E and Mt. Bethel Ministries, by fellowshipping at Mt. Hermon on Maundy Thursday and Good Friday at New Mount Olive. Plans are underway for the annual Back to School event in August.

CHURCH GROWTH

85 people have joined NMOBC YTD. 7 joined in March and 16 in April as of 4/15/25. The Evangelism Ministry reached over 491 persons in YTD!
