How Good the Lord Is!

It's February, the "**LOVE** month."

This year we are excited about the month because within it falls the greatest love story there ever was (I'll get to that in a moment). Let's get to the origin of Valentine's Day. Although there were a dozen or so "Valentines," it was St. Valetine of Rome that became a martyr for secretly marrying Christians. He was beheaded on February 14th and left a departing note to the daughter of a nobleman of whom he was imprisoned. The note was signed "Your Valentine." Lets dive deeper into the meaning of **LOVE**. There are two types: Eros (romantic, passionate **LOVE**, based on feelings and emotional connection), and Agape (unconditional, sacrificial **LOVE** that focuses on the good of others regardless of personal feelings). Eros involves indulgence (candy, flowers, gifts), and Agape involves and is rooted in self denial – dying of ones self for the benefit of another.

PASTOR'S PEN

Okay! So why are we as Christians excited about this month? Because, this year an example of the greatest "happily ever after" **LOVE** story there ever was falls on February, 18th...Ash Wednesday, marking the beginning of Lent, centered around the sacrificial **LOVE** of Jesus Christ. It is a time that believers reflect on Jesus' Agape **LOVE** in sacrificing His life for all humanity's freedom! On Ash Wednesday, we are called to return to the **LOVE** of Christ, denying ourselves, almsgiving, prayer and fasting. Juxtaposed, Valentine's Day & Ash Wednesday signifies Jesus' death & resurrection as the ultimate act of **LOVE**. What will you sacrifice during this Lenten season as you reflect on the greatest **LOVE** of them all? I **LOVE** you, and there is nothing you can do about it!
